

Thinking About Redoing Your Camp's Website?

*New Free Report Reveals:
"The 5 Costly Mistakes Most
Camp Directors Make Redoing
Their Camp's Website (And How
To Avoid Them)"*

New York (NY) -- A recent interview with Chris Davis of DVS Camp Websites revealed several helpful tips for camps that are thinking of redoing their website.

"Most camps aren't even aware of these five costly mistakes and that's why they make them. But they're easily avoidable - just being aware of them can help you end up with a much better new camp website, and can save you thousands of dollars too."

Chris has compiled a **free report that reveals these five costly mistakes**. In the report, you'll learn:

(1) The single most important selling point for your camp and how to **MAKE SURE** it's included in your new website.

(2) Why building your new website on the wrong software can cost you thousands of dollars!

(3) What **REALLY** makes parents and campers choose your camp over others? (The answer is on page 5.)

(4) The Stanford University study that reveals the one thing about your website people use more than any other to assess the credibility of you and your camp (see Page 7 in the report!)

(5) How to make Google **LOVE** your new camp website.
